When and How We Can Stop Using Animals in Toxicology
Tuesday, March 16, 8:30 AM-10:00 AM
[2021 SOT Virtual Annual Meeting](#)

We are featuring an expert panel with diverse perspectives and excellent information to share on this important topic. This annual event organized by IUTOX and hosted by SOT helps IUTOX Member Societies and other international attendees put ideas into action to advance information sharing and to solve common problems with available resources.

You are invited to display materials about your upcoming meetings and activities at the IUTOX virtual exhibit booth. Global Gallery posters will be on display during the SOT Virtual Annual Meeting.
